Detailed

Model	PA-5250USBD
Type	Professional Amplifier
Rated Power	250W
Sensitivity	77.5MV
SNR	Mic>70dB , Line>76dB
Output Mode	4-16ohms/70V/100V

THD	<0.1%
FR	40hz-18KHZ±0.5DB
Muting Function	<p>MIC1 with Priority muting for emergency broadcast</p> <p>6 Zones mixing amplifier with MP3 player, USB/SD card</p> <p>With alarm function and LED display</p> <p>Independently control for treble and bass, master volume control</p> <p>Protection function of AC fuse, short circuit, overload, high temperature</p> <p>2 microphone inputs and 3 line input</p>
Dimensions	482*390*88mm
Sound Channel	1
Voltage	AC 220V
