

Wooden Cabinet 12U

Rack Cabinet

Wooden Cabinet 12U 53 \* 50 \* 67CM

A variety of professional audio equipment such as computer cases, mixers, and power amplifiers can be placed at the same time, which is suitable for indoor use in KTV private rooms, karaoke rooms, etc.

There are handles on both sides, and the bottom has a roller that can freely adjust the direction of movement.

Sturdy and reliable, large capacity and durable.
