

CS-CB2-R100-2D2WF-BK(Type-C)

EZVIZ CS-CB2-R100-2D2WF-BK(Type-C) Wi-Fi Camera 4mm 2mp IR 5m WiFi Battery Mini indoor Camera + MicroSD 64GB

|                       |               |
|-----------------------|---------------|
| Megapixel             | 2 MP          |
| Night vision distance | 5 M           |
| Sound                 | Two-way audio |
| Micro SD              | 512 GB        |

Detailed

|                      |                                                                 |
|----------------------|-----------------------------------------------------------------|
| Model                | CS-CB2-R100-2D2WF-BK(Type-C)                                    |
| Image Sensor         | 1/2.8” 2-Megapixel Progressive Scan CMOS Sensor                 |
| Shutter Speed        | Self-Adaptive Shutter                                           |
| Lens                 | 4 mm @ F1.6, view angle: 100°, 85° (Diagonal), 46° (Horizontal) |
| Night Vision         | Max. 5 m / 16 ft                                                |
| Minimum Illumination | 0.1 Lux                                                         |
| Lens Mount           | M12                                                             |
| Day & Night          | IR-cut Filter with Auto Switch                                  |
| DNR                  | 3D DNR                                                          |
| Wi-Fi Standard       | IEEE802.11b, 802.11g, 802.11n                                   |
| Frequency Range      | 2.4 GHz ~ 2.4835 GHz                                            |
| Channel Bandwidth    | Supports 20 MHz                                                 |
| Security             | 64/128-bit WEP, WPA/WPA2, WPA-PSK/WPA2-PSK                      |
| Transmission Rate    | 11b: 11Mbps, 11g: 54Mbps, 11n: 150Mbps                          |

|                             |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Wi-Fi Pairing               | AP pairing                                                             |
| Protocol                    | EZVIZ Cloud Proprietary Protocol                                       |
| Interface Protocol          | EZVIZ Cloud Proprietary Protocol                                       |
| Wired Network               | Does not support                                                       |
| Minimum Network Requirement | 1 Mbps                                                                 |
| Max. Resolution             | 1920 × 1080                                                            |
| Frame Rate                  | 15fps. Self-Adaptive during Network Transmission                       |
| Video Compression           | H.265 / H.264                                                          |
| Video Bit Rate              | Full HD; Hi-Def; Standard                                              |
| Audio Bit Rate              | Self-Adaptive                                                          |
| Max. Bitrate                | 1 Mbps                                                                 |
| Smart Alarm                 | Supports smart human motion detection                                  |
| Customized Alert Area       | Supports                                                               |
| Two-way Talk                | Supports                                                               |
| Local Storage               | Supports microSD card (Up to 512 GB)                                   |
| Cloud Storage               | Supports EZVIZ CloudPlay storage (subscription required)               |
| Operating Conditions        | -10°C to 45°C (14°F to 113 °F ), Humidity 95% or Less (Non-condensing) |
| Power Supply                | DC 5V/1A (Purchased Separately)                                        |
| Battery Capacity            | 2000 mAh                                                               |
| Dimensions                  | 50.5 × 39.1 × 39.1 mm (1.99 ×1.54 × 1.54 inch)                         |
| Packaging Dimensions        | 126 × 91× 50 mm (4.96 × 3.58 × 1.97 inch)                              |
| Net Weight                  | 86.8 g (3.06 oz)                                                       |
| With Package                | 273g (9.63 oz)                                                         |
| In the box                  | - CB2 Camera                                                           |
|                             | - Magnetic Base                                                        |
|                             | - Power Cable                                                          |
|                             | - Foam Sticker                                                         |
|                             | - Mounting Metal Plate                                                 |
|                             | - Regulatory Information                                               |
|                             | - Quick Start Guide                                                    |
| Certifications              | CE / WEEE / RoHS / REACH / UL                                          |
