

Powerbeam PBE-M5-400 5GHz

UBIQUITI 5GHZ ROCKET AC,PTP ONLY,AIRPRISM R5AC-PTP

operates at 5 GHz
 transmitter power 27 dBm
 airPrism technology is used
 it has an extended channel width for PtP mode - 80 MHz
 data transfer rate of 500 Mbps or more*
 powered by 2x2 MIMO technology
 One 1000 Mbps Ethernet port
 two RP-SMA connectors for connecting antennas

Detailed

Sizes	198.5 x 86.4 x 44.1 mm
Weight	295 g
Operating frequency	5470-5875 MHz
Processor	Atheros MIPS 74Kc, 720 MHz
RAM	128 MB DDR2 SDRAM
ROM	16 MB NOR FLASH
Interface	10/100/1000 Ethernet Port
Antenna connector	2x RP-SMA (Waterproof)
Indicators	Power, LAN, Signal strength
Maximum consumption	8.5 W
Power unit	24V, 0.5 A Gigabit PoE Adapter (included in the package)

Food	Passive PoE (Pairs 4,5 +; 6,7 minus)
Ambient operating temperature	-40.. +80 °C
Ambient operating humidity	5.. 95 %
ESD protection	Up to 24 kV
Certificates	CE, FCC, IC
