Detailed

Model	DSP602EN
Standards	EN44-24: 2008 Loudspeaker for voice alarm  system for fire detection and fire alarm system
Environmental Class EN54-24	Type A, indoor places
Protection Grade EN60529	IP21C
Ways/Speakers/Type	1 way, double cone full range Ø156mm, 100V system
Transformer	100V,6W-3W-1.5W
In axis frecuency response(±7dB)	90-18000Hz
Sensitivity (@1m, 1W)	91 dBSPL(200Hz-10kHz pink noise)
Coverage angle 1kHz(HxV)	180°

SPL max (@1m, Pmax)	99dB(200Hz-10kHz pink noise)
Nominal power	6W
Impedance at 1000Hz	180Ω(6W),310Ω(3W),940Ω(1.5W)
Dimensions	Ø190mm-P=108mm
Hole diameter	Ø 168-172mm
Weight	1.0Kg
Material	Flame retarding ABS
Connections	Ceramic connector and thermal fuse
