Keystone Jack CL-KJS-C610 UTP

Keystone Cat6 UTP modul keystone jack

- PCB material: FR-4 T=1.2mm
- Inserting Duration: 750 times.
- IDC clips: Tinned phosphor bronze pins.
- IDC Contact material: Phosphor bronze T=0.50mm WITH TIN PLATING
- Connecting: RJ45 Port for UTP Patch Cord and the IDC for UTP horizontal cabling.
- Fitting for Cat.6 Cabling system, can also be used in Cat.6 and Cat.5e cabling system.
- According to the standard of ISO/IEC 11801:2002 Class E&ANSI/TIA/EIA/56B2-1 Cat.6A standard.

Ətraflı

Product type	Cat.6 UTP
Transmit capacity	250MHz
Wire Gauge Supported	22-26AWG
Housing material	PC
Punching duration	250times
RJ45 jack life	750times
RJ45 contact material	Phosphor bronze
Termination type	Tool
Thickness of the pin	3µ/6µ/15µ/30µ/50µ
Wiring scheme	T568A&T568B
Certification	CE, UL, RoHs, ETL
