## C-1002 Konvansiyonel İsi Dedektörü

C-1002 Konvansiyonel İsi Dedektörü

- High quality and reliability
- PCB Design Smd
- Detection of different types of fire
- 360 visible dual LEDs
- Aesthetic appearance
- Easy installation
- Works on the principle of Light Nonsense
- ABS plastic housing
- Indicator connection

## Ətraflı

| Standard | EN54-29 |
|---|---|
| IP protection | IP23 |
| Operating voltage | 24V DC loop voltage(+-%10) |
| Current | 5mA Max, 0.8 mA Min |
| Operating temperature | -10°C to +50°C |
| RH | %95 |
| Material and color | ABS, White |
| Cable | 1 pair of poles |
| Diameter | 100mm |
| Height | 50mm |
| Weight | 120 gr |
