

## C-1003 Konvansiyonel İsi Dedektörü

C-1003 Konvansiyonel İsi Dedektörü

- High Quality and reliability
- SMD Circuit Board Design
- Detection of sudden temperature and set temperatures
- Detecting Different Fire Types
- 360 Visible Dual LEDs
- Aesthetic Appearance Easy Assembly
- Works with the Light Scattering Principle
- ABS Plastic housing
- Indicator Connection

### Ətraflı

Standard	EN54-29
IP protection	IP23
Operating voltage	24V DC loop voltage(+-%10)
Current	5mA Max, 0.8 mA Min
Operating temperature	-10°C to +50°C
RH	%95
Material and color	ABS, White
Cable	1 pair of poles
Diameter	100mm
Height	50mm
Weight	120 gr
