

RSH-HM10 Zigbee Motion Sensor

RSH-HM10 Zigbee Motion Sensor

|                     |                     |
|---------------------|---------------------|
| Model               | RSH-HM10            |
| Wireless Technology | ZigBee 3.0          |
| Working Frequency   | 24GHz               |
| Working Voltage     | 110-220V            |
| Working Current     | ≤ 70mA              |
| Working Temperature | -20°C~+70°C         |
| Light Perception    | 0-2000Lux           |
| Sensitivity         | 0-9 (default 7)     |
| Sensing Distance    | 0.3-9m (default 6m) |
